2010 PK Retreat

Free Retreat!

## Fulfilling Your Dreams

by Pastor Roland Seow

According to many pastors' kids (PK), last year's PK retreat was truly awesome and life changing. Some remarked that they were at the point of "meltdown" and their life was intolerable before the retreat but God showed up at the retreat and gave them a new heart, understanding and vision for their lives and church. Many parents (pastors) wrote to say how visibly changed their children were after the retreat.

Many PKs were so comforted to see that they were not alone in their struggles as PKs – there were many others who felt exactly the same. The connection with other PKs was such a blessing and out of that retreat a new ministry in Malaysia was born –Pastors' Kids Fellowship of Malaysia (PKFM), headed by Marcus Dip Silas.

More importantly, many were healed emotionally and encouraged that God has a special purpose and calling for PKs. Pastor Gabriel did such a fantastic job sharing his life and personal challenges as a PK. We learned that being a PK was actually a privileged position.

Guess what? Pastor Gabriel Ahn is coming again, all the way from Pasadena, California. You certainly wouldn't want to miss this second PK retreat for anything. Bring along your PK friends who missed the last event. To top it all, this retreat is being jointly run with the new PKFM and so the program will reflect their input. As before, there'll be lots of fun activities, group interaction, and great door prizes.

So make sure you keep this date 15-17 Dec 2011 free for the 2nd IPIN PK retreat and you'll discover how God can make your dreams come true.
